

# Keeping Off-Highway Vehicles On The Job

## FILTERS

Filters from 3 of the global leaders in filtration for off-highway vehicles and equipment: **Baldwin, Donaldson, Wix**

## BRAKES

**Bendix, GPN, Webb, Haldex, Abex, Wagner, Meritor, Performance Friction**

## BATTERIES/BATTERY CABLES

**Deka**  
Keep heavy-duty equipment running at top performance. Demanding commercial

equipment requires nothing less than the most powerful, reliable batteries. This complete line of the toughest commercial product is specially engineered for durability while meeting high power ratings for heavy-duty engines.

**OUR BRAND PROMISE – Proven, fast delivery of parts ensures your construction team continues to work hard on site. Save costs and get projects completed on time.**

## HYDRAULICS

From low-pressure to ultra-high pressure hose assemblies, and from application-specific systems to versatile fluid compatibility, the

most productive hose systems start with the safest, most durable, and efficient industrial hoses, couplings, accessories, and equipment from **Gates**. Recognized to meet over 20 international standards and quality certifications, Gates furnishes custom hose assemblies and offers in-depth Industrial Hose Training Workshops to improve your onsite safety, reduce downtime, and increase your productivity.

## BELTS

Make light work of your heavy duty applications.

You need industrial equipment that turns challenges into advantages, and operates dependably under extreme conditions. **Gates** heavy duty industrial equipment solutions are engineered to tackle the toughest tasks. They are ideal for extreme working conditions, high pressure environments, and your most demanding applications.

## HEAVY DUTY AC

TFS/TNT distributes heavy duty AC products from **MEI Air Source**, the largest independent after-market of heavy-duty air conditioning and heating components in the United States.

## WHEEL END

**STEMCO**  
A Higher Standard of Performance™  
an EnPro Industries company

**We are ASE-certified Parts Specialists offering an impressive inventory of competitively priced products for dump trucks, earth moving equipment, bulldozers, cement mixers, paving and more.**

### WIPER BLADES

TRICO HD™ wiper blades come in a variety of different designs to fit large vehicles of all kinds. TRICO offers the largest selection of HD blades that will fit your large vehicle perfectly.

### TURBOS

**OE**-Quality, precisely calibrated, remanufactured and new, high-performance turbochargers designed to

meet the durability, reliability and technology demands of complex engines.

### RADIATORS

Keep your equipment up and running during peak construction season.

### LIGHTING

**Grote, Truck-Lite, Peterson, Hella, Whelen, Optronics, Truck-Lite**
