BATTERIES/BATTERY CABLES

Deka

Keep heavy-duty equipment running at top performance demanding commercial

equipment requires nothing less than the most powerful, reliable batteries. This complete line of the toughest commercial product is specially engineered for durability while meeting high power ratings for heavy-duty engines.

OUR BRAND PROMISE – Durability and reliability you can count on with proven, fast delivery of quality parts to keep your marine craft operational.

OILS & LUBRICANTS

BELTS

Make light work of your heavy duty applications.

You need industrial equipment that turns challenges into advantages, and operates dependably under extreme conditions. **Gates** heavy duty industrial equipment solutions are engineered to tackle the toughest tasks. They are ideal for extreme working conditions, high pressure environments, and your most demanding applications.

HYDRAULICS

From low-pressure to ultra-high pressure hose assemblies, and from application-specific systems to versatile fluid compatibility, the most productive hose systems start with the safest, most durable, and efficient industrial hoses, couplings, accessories, and equipment from **Gates**. Recognized to meet over 20 international standards and quality certifications, Gates furnishes custom hose assemblies and offers in-depth Industrial Hose Training Workshops to improve your onsite safety, reduce downtime, and increase your productivity.

We are ASE-certified Parts Specialists offering an impressive inventory of competitively priced products for ocean-going and port tug boats, charter boats, dredges, trawlers, car ferries and more.

HEAVY DUTY FLOOD LIGHTS

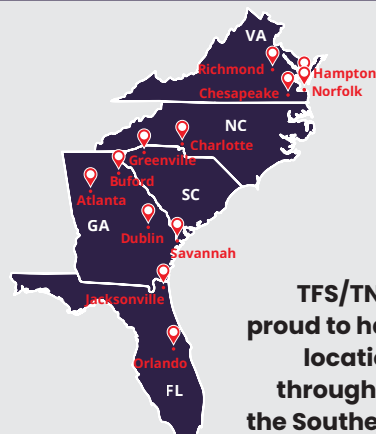

Hella marine  *Vision and Innovation*

HypaLUME 110/230V AC LED Flood Light - Heavy Duty

A quantum technology leap for commercial vessels, HypaLUME is Hella marine's most powerful floodlight.

High Performance

The new range of HypaLUMEs have been designed for applications where high output lighting in extreme environments are required. These lamps can produce a net output of up to 28,000 lumens whilst consuming less than 300W.

TFS/TNT is proud to have locations throughout the Southeast

FIRE EXTINGUISHERS

We are a proud distributor of **Buckeye Fire Equipment**. An international leader in the development and manufacture of reliable fire protection products. American Made Since 1968.
