

Equipping Your Team to Operate as Scheduled

BRAKES

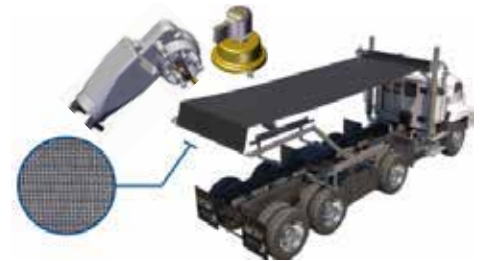

Bendix, GPN, Webb, Haldex, Abex, Wagner, Meritor, Performance Friction

HEAVY DUTY RADIATORS

From Brass & Copper radiators to plastic tank Aluminum radiators, we have most of the popular heavy duty truck radiators available locally. Applications covering Freightliner, Kenworth, Peterbilt, International, Volvo, Mack, Sterling and more!

TARPS

When it comes to tarps, we have you covered. Replacement tarps, parts, and complete systems from **RollRite, Shurco, Donovan, and Aero.**

OUR BRAND PROMISE – Proven, fast delivery of parts ensures your refuse collection team is equipped to continue their work. Save costs and get projects completed on time.

HYDRAULICS

From low-pressure to ultra-high pressure hose assemblies, and from application-specific systems to versatile fluid compatibility, the

most productive hose systems start with the safest, most durable, and efficient industrial hoses, couplings, accessories, and equipment from **Gates**. Recognized to meet over 20 international standards and quality certifications, Gates furnishes custom hose assemblies and offers in-depth Industrial Hose Training Workshops to improve your onsite safety, reduce downtime, and increase your productivity.

BELTS

Make light work of your heavy duty applications.

You need industrial equipment that turns challenges into advantages, and operates dependably under extreme conditions. **Gates** heavy duty industrial equipment solutions are engineered to tackle the toughest tasks. They are ideal for extreme working conditions, high pressure environments, and your most demanding applications.

FILTERS

Filters from 3 of the global leaders in filtration for commercial vehicles and equipment: **Baldwin, Donaldson, Wix**

WHEEL END

STEMCO®
 A Higher Standard of Performance™
 an EnPro Industries company
